Experience the delights of the Great Glen and the Caledonian Canal in a 10 berth holiday cruiser. Learn to operate it, do something different. Be on Loch Ness, see the Castle, see the monster. If you want go all the way to Fort William from Inverness and back, it will take you a week. Or just take part in all the different activities which are available along the Great Glen.

## Operating the cruiser in Loch Dochfour

This boat waits for your young people to give them a water based experience in the Highlands of Scotland which they will remember for the rest of their lives. Ideal for Explorer Scouts and Ranger Guides. 8 young people and 2 leaders can live on this boat in comfort and use it as a base to do a wide range of activities. Walk along part of the Great Glen Way, canoe in Loch Lochy, sail in Loch Oich, hire mountain bikes and explore the Hills and Glens around Loch Ness and the Great Glen. Each night come back to your own warm bed, no tents to put up, cook on board and enjoy the Highlands of Scotland at its very best. In the morning just move on to where ever you please.

Open Canoeing Loch Oich If a week trip is not for you we can offer full days, half days and evening trips out with the School holidays. These will be ideal for Beaver, Cubs, Brownies and Rainbows. The boat can take 10 plus leaders. Have a go and do something different.
